Subject: RE: Public hearing in Cape Dorset- P Lake Lagoon
Importance: High

Good Morning Bhabesh,

Thank you for your letter received by email yesterday. It is unclear exactly what GN is requesting and I think it appropriate for the NWB to clarify it's process and implication of the request from GN. In order for the NWB to action a request from GN clarification is needed as soon as possible. I am therefore proposing a teleconference this afternoon at 1:30 p.m. MT (3:30 p.m. ET) Dial In Number: 1-877-579-4178 Participant Code: 807543#
 I look forward to hearing from you on this issue.

Regards,
 Dionne
