Ms. Dionne Filiatrault, P.Eng.
A/Executive Director,
Nunavut Water Board

July 25, 2007.

Public Hearing and documents submission: Water License approval "P" Lake Sewage Lagoon, Cape Dorset, NU.

Dear Ms. Filiatrault,

In response to the letter of NWB dated July 17, 2007, I am writing you deferring the documents submission date for minimum a month from the second date of the Public hearing scheduled September 19, 2007. Our consultant is not comfortable in accumulating all the necessary information within a short time. Moreover, we also feel that it might be wise and appropriate submitting the required documents after the Public hearing in Cape Dorset.

If you have any question, Please do not hesitate to contact me at any time.

Thanks.
