Dear Jim:

Re: Notification of Decanting of Sewage Lagoons in Cape Dorset

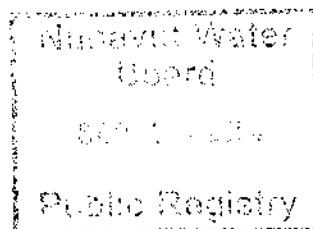

The Hamlet of Cape Dorset is seeking permission to decant the four (4) existing sewage lagoon cells in Cape Dorset. We would like to do so in order to increase the storage capacity of the cells during the winter months. We plan start the decanting process on Wednesday, September 1, 2004.

Please contact me at 867-897-8943 if you have any questions or comments.

Yours Sincerely,

Art Stewart
 Senior Administrative Officer
