Re: Acknowledgement Annual Report 2004

Dear Mr. Stewart:

The Nunavut Water Board (NWB) acknowledges receipt on January 26th, 2005 of your 2004 Annual Report as required by Part B, Item 1 of your water licence. The Board has reviewed your report and has determined that the following information, in accordance with Part B, Item 1, is to be reported in the 2005 Annual report due no later than March 31, 2006:

- a) As per Amendment 1 to NWB3CAP0207 in **Part H: CONDITIONS APPLYING TO THE SURVEILLANCE NETWORK PROGRAM** the Licensee is to sample and analyze waste constituents at Station Number CAP-2, CAP-3 and CAP-4.
- b) As per **Part H, Item 9** of Licence NWB3CAP0207 the Licensee shall measure and record the annual quantities of sewage sludge removed from the Sewage Disposal Facility.

The above two provisions are required to be included in the Licensee's Annual Report as per **Part H, Item 10** of the water licence. On an endnote the Board would like to acknowledge the forward progress in rectifying the sewage containment facilities through the amendment filed in 2005.

Please call the undersigned at (867) 360-6338 or email at licensing@nwb.nunavut.ca if you have any questions.

Sincerely,

Original signed by:

Phyllis Beaulieu
