Dear Dionne:

Re: Notification of Decanting of Sewage Lagoons in Cape Dorset

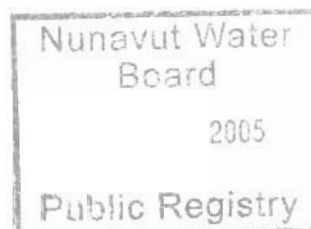

This is to notify you that the repair work on our three-cell lagoon is now complete. The amendment to our license is no longer required as the 3-cell lagoon is now operational. We are requesting to revert back to the original terms and conditions of the water license NWB3CAP0207 issued effective September 16, 2002.

Please contact me at 867-897-8943 if you have any questions or comments.

Yours Sincerely,

Art Stewart
Senior Administrative Officer
