Rita Baker – Licensing Administrator Nunavut Water Board P.O. Box 119 Gjoa Haven, NU X0B 1J0

Dear Rita:

I wish to contest the statement made by Shaun Mackie in a letter that he sent to you dated April 24,2001. The Municipality does indeed take water samples on a weekly basis. The samples are taken each Tuesday morning and sent to the Health Station for transportation to the Airport later on in the day. Shaun informs me that the Health and Social Services requires only monthly samples but the fact remains that our water is collected and sent for testing each week.

Please feel free to contact our office at any time if you require further information.

Yours Sincerely,

Art Stewart

Senior Administrative Officer
