Re: Application for Renewal of Municipal Water Licence NWB3CHE0308

On behalf of the Hamlet of Chesterfield Inlet, please find enclosed an application for renewal of their Municipal Water License NWB3CHE0308. The Hamlet is proposing a change to their current Water License and wishes to incorporate the tundra wetland as part of their "Sewage Disposal Facility". Additional information supporting this request have been included with this renewal application. Supporting the application are the following attachments:

- NWB License Application Summary in English and Inuktitut;
- NWB Supplemental Technical Information for Municipalities;
- NWB License Application Amendment and use fees; and,
- Nunami Jacques Whitford Ltd. Schematic Design Report for the Tundra Wetland Sewage Treatment System at Chesterfield Inlet.

One hard copy of these documents is provided in addition to digital copies on the enclosed compact disk.

I trust we have provided the Board with sufficient information to process the licence application. Should you have any questions or comments, please do not hesitate to contact me. Please address any correspondence related to this application to the undersigned.

Yours Truly
