**Re: 3BM- CHE0308 – Application Deficiencies**

I am pleased to confirm that Nunami Jacques Whitford Limited has been retained to assist with the preparation of application deficiencies outlined in the Board's correspondence of May 14, 2009. Work is currently underway on addressing the deficiencies outlined by the Board and Nunami anticipates submission of requested material on or before April 30, 2010.

The Department of Community and Government Services, Government of Nunavut is currently tendering a project for improvements to the sewage treatment system with construction anticipated for August 2010.

I trust our proposed submission date will be acceptable to the Board and will allow for the licencing process to conclude prior to the date of anticipated construction. Please do not hesitate to contact the undersigned if you have any questions or concerns.

**Regards,**  
**NUNAMI JACQUES WHITFORD LIMITED**
