**Re: Application exempt from Screening pursuant to NLCA Schedule 12-1: Hamlet of Chesterfield Inlet's "Type B Water Licence Amendment" project application**

Dear Phyllis Beaulieu:

On March 12, 2015 the Nunavut Impact Review Board (NIRB) received an application from your office for Hamlet of Chesterfield's "Type B Water License Amendment" project application. The NIRB has determined that this project application is exempt from screening pursuant to item 5 of Schedule 12-1 of the Nunavut Land Claims Agreement (NLCA), *Types of Project Proposals Exempt from Screening*:

NLCA Schedule 12-1 (5):

*"Water uses that do not require a public hearing under Section 13.7.3".*

As this project proposal is exempt from the requirement for Screening by the NIRB, authorizations associated with this proposal may be processed by your office.

If you have any questions or require additional clarification, please contact the undersigned directly at [info@nirb.ca](mailto:info@nirb.ca) or (867) 983-4612.

Sincerely,

A handwritten signature in black ink that reads "Natasha Lear". The script is cursive and fluid.

Natasha Lear  
Environmental Administrator  
Nunavut Impact Review Board
