Clyde River  
Baffin Dist.  
W.

Final Draft Engineering Report for Waste Disposal Project in Clyde River

On behalf of the Hamlet of Clyde River, please find one copy of the above noted report for your review. Your early approval would be appreciated as we plan to construct these facilities during the summer of 1992.

Please contact me at your convenience if you have questions.

  
Ron Kent, P. Eng.  
Manager, Community Works  
Management and Training
