Richard,

I believe that the Arctic Bay plan was sent in September; if not my apologies, here it is again. Clyde River should follow before the end of the month.

Thanks

Hi Bhabesh

Please find attached the Board's decision regarding the Plan for Compliance for Clyde River which was rejected by the Board in March of this year. Has a revised Plan been submitted?

Also, for your information, I have attached correspondence from the Board regarding the Arctic Bay renewal application deficiencies.

Regards,
Karlette

Bill,
I think you already sent the Plan of Compliance which was required and requested by the Board.

Thanks
