Re: Application for Water Licence for the Municipality of Clyde River

Dear Mr. Carle:

As per our telephone conversation earlier this morning, I am attaching a copy of the supplementary questionnaire in both English and Inuktitut. Please note that for an application to be complete, the following is necessary:

- application form
- supplementary questionnaire
- \$30 application fee payable to the Receiver General for Canada
- executive summary of the application in both English and Inuktitut

Because of the confusion that seems to be prevalent in many communities with regards to the need to apply for a water licence, I am also attaching a copy of Article 13 of the Nunavut Land Claims Agreement and a copy of *Water Licencing in Nunavut – Interim Procedures and Information Guide for Applicants* (in both English and Inuktitut) for your information.

Please do not hesitate to contact me or our technical advisor, Dionne Filiatrault, should you have any questions while filling out the application.

We look forward to receiving your application.

Sincerely,

Rita Becker, Licensing Administrator
