October 19, 2009

NWB File : 3BM-CLY0909

NOTICE OF ERRATA

Please note that the amount of water allowed under NWB Licence 3BM-CLY0909 should read 38,000 CUBIC METRES ANNUALLY. This has been changed on the Nunavut Water Board public registry Licence. A copy of the corrected licence is forwarded to Proponent and the full distribution list.
