Re: Solid Waste Facilities in Coral Harbour

Reading a copy of your letter to Christa Domchek, you said that you don't have any reports from Coral Harbour. We had calls from Yellowknife regarding water licensing. What kind of report are you looking for? May be we can be of assistance once we find out what to do.

Our e-mail address is sao@arctic.ca if you need more information.

Have a good day,

Lucy Netzer
Senior Administrative Officer
