Re: Application Acknowledgement for the Hamlet of Gjoa Haven

Dear Mr. Boyle:

The Nunavut Water Board acknowledges receipt on March 6, 2008 of your water license amendment application, for the Hamlet of Gjoa Haven.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following:

- Project summary in English and Inuktitut
- Administration Fee of \$30.00

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensing@nunavutwaterboard.org](mailto:licensing@nunavutwaterboard.org) if you have any questions.

Sincerely,

***Original signed by:***
