The Nunavut Water Board (NWB) has received a licence application from the Municipality of Gjoa Haven, dated October 2, 1998.

Applicant: Hamlet of Gjoa Haven
General Delivery
Gjoa Haven, NT XOE 1J0

Purpose: Water use (drinking water, supply facilities) and waste disposal (sewage, solid and hazardous wastes).

The NWB would appreciate your comments before November 20, 1998. If you require additional information or clarification, you may contact David Porter by telephone at (867) 360-6338 or by fax at (867) 360-6369.

A copy of the application is on file for consultation at the Hamlet office.
