**RE: Review of Construction Tender for Water Works and  
Water Treatment Plant - Gjoa Haven**

Dear Ms. Filiatrault:

The Department of Fisheries and Oceans, Eastern Arctic Area (DFO) received your request to review the report titled "000401NWB3GJO F-1-ILAE" which consists of the construction tender for the replacement of the water supply system in Gjoa Haven. Please be advised that this project was previously reviewed by DFO and a Letter of Advice dated March 17, 2003 and signed by Jeff Wilson (DFO) was issued.

Provided the details in the construction tender document are consistent with the project plans previously submitted to DFO, and that the mitigation measures outlined in the Letter of Advice are implemented, DFO does not have any additional concerns with this project.

If you have any questions or should there be any changes to the proposed work, please contact me at (867) 979-8011 or by fax at (867) 979-8039.

Sincerely,

Jennifer McCarthy
