Dear Mr. Di Pizzo,

**Re: Extension request for submission of an Operation and Maintenance Manual
required by the Gjoa Haven Municipal Water License.**

The Hamlet of Gjoa Haven is required to submit a plan for the Operation and Maintenance of the Sewage and Solid Waste Disposal Facilities in accordance with Part G, Item 1 of our water license. We would like to request an extension of six months for the submission this plan so that we can obtain proper technical advice from an outside source.

If you have any question please contact me at the Hamlet office at 360-7141

Sincerely,

Raymond Kamookak
Senior Administrative Officer
