Stuart,

I am sorry but I had meant to get the amended direction out before I went to Ottawa. That did not happen.

I will complete this and acknowledge receipt of this component of the Direction upon my return.

Sincerely,

Andrew

Morning Andrew,

Please find attached response to *Item d* of Inspectors Direction Report dated 26th August 2014.

A review of the amended A&R Plan for the Old Sewage lagoon was done yesterday and we hope to issue the final revised document in the coming days.

Stuart.
