RE: Utilidor Construction, Area 1, Hamlet of Rankin Inlet (Part E, Item 1)

Dear Mr. Thistle:

The Nunavut Water Board has reviewed the "Utilidor Construction, Area 1, Rankin Inlet" documents submitted to the Board on April 16, 2004 in accordance with Part E, Item 1 of your water licence. These documents relate to proposed replacement of the currently-existing utilidor system in Area 1, Rankin Inlet. The NWB herein approves the submission as presented and reminds the Licensee that as-built engineered diagrams of the modifications referred to in the "Construction Tender" documents are to be submitted to the Board within ninety (90) days of completion of the modification.

Should you require clarification in this matter do not hesitate to contact me.

Sincerely,

Original signed by:

Philippe di Pizzo
Executive Director
