Hello Don,

Regarding the information you provided addressing a stream realignment in Grise Fiord.

The sketch and application to DFO, as received by INAC on July 30, 2004 illustrate the Hamlets request to re-establish a water course. The proposed diversion route would pass over Commissioners land, therefore based on the current information the Crown would not have an interest in this project from a land administration point of view at this time. I would suggest you submit an application to the Government of Nunavut. You can contact Adule Chris, Senior Baffin Community Planner at 867-3621 for further information.

Thanks,

Spencer Dewar
