Good Morning Sonia,

I have spoken with Brian Aglukark at NPC and confirmed that NPC was forwarding the screening to NIRB. The NIRB screening decision of March 12, 2015 still applies for the renewal to the Hamlet of Grise Fiord's Type B Water licence (NIRB EX231, NWB 3BM—GRI0911).

If you require further clarification please contact the undersigned.

Regards,

Jaida Ohokannoak
