Month Reported	Quantity of Water Obtained from all sources	Quantity of Sewage Waste Discharged
January	503.89	503.89
February	468.59	468.59
March	549.72	549.72
April	466.97	466.97
May	454.84	454.84
June	457.70	457.70
July	462.86	462.86
August	462.86	462.86
September	493.63	493.63
October	468.15	468.15
November	526.43	526.43
December	508.25	508.25
ANNUAL TOTAL	5,823.89	5,823.89

Please indicate volumes in cubic metres - 1 cubic meter equals 1000 litres

- iv. a summary of modifications and/or major maintenance work carried out on the Water

ANNUAL REPORT FOR THE HAMLET OF GRISE FIORD

Supply and Waste Disposal Facilities, including all associated structures and facilities;

Cleaned up and reorganized the domestic dump – collected and segregated hazardous materials. Purchased a 20’ sea can for containerising hazardous materials. Burned and buried excess non hazardous materials. Collected and segregated bulky metals.

- v. a list of unauthorized discharges and summary of follow-up action taken;

None – annual decant occurred on 22 July 04 five days earlier than anticipated due to walls starting to cave in and seepage occurring through the walls from too much sewage being contained within the lagoon, however, both GN – CGS and INAC WRO were advised via fax of this action.

- vi. a summary of any abandonment and restoration work completed during the year and an outline of any work anticipated for the next year;

None

- vii. a summary of any studies requested by the Board that relate to waste disposal, water use or reclamation, and a brief description of any future studies planned;

Part F, Item 1: Operation and Maintenance Manual

work in progress

Part G, Item 1: Abandonment and Restoration Plan

nothing at the
moment

**ANNUAL REPORT
FOR THE HAMLET OF CAMBRIDGE BAY**

- viii. any other details on water use or waste disposal requested by the Board by November 1st of the year being reported; and

None

- ix. updates or revisions to the approved Operation and Maintenance Plans.

None

ADDITIONAL INFORMATION THAT THE HAMLET DEEMS USEFUL:

The GN – Dept of CGS has \$27,000.00 for fencing around the water intake (Water Supply Improvements) in their 2004-05 Capital Carryovers of their Capital Estimates Budget which has get to be released.

The GN – Dept of CGS has \$70,000.00 for a Solid Waste Assessment (40K) and a Lagoon Capacity Investigation (30K) for Grise Fiord in their 2004-05 Capital Estimates Budget which have yet to occur and theoretically should be carried over to the 2005-06 fiscal year for completion.

FOLLOW-UP REGARDING INSPECTION/COMPLIANCE CONCERNS:

Dump Site clean up will continue again in the summer of 2005.

Sea Can will be placed at dump for hazardous materials in the summer of 2005.

100 LL Av gas improperly stored has been relocated to a safe distance from power junction box.
