RE: GRISE FIORD SEWAGE LAGOON

*Grise Fiord
Nunavut District*

Dear Sir:

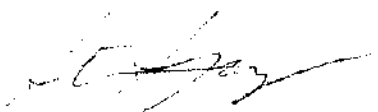

Attached for your information/ review, is a copy of the 100% complete plans for the construction of a new sewage lagoon facility in Grise Fiord. The design generally follows the original concept defined in the Design and Operations Concept Report submitted in November 1993, which was approved by the Water Board on January 28, 1994.

Copies have been forwarded also to:

Mr. Bruce Steven, Environmental Health Officer, BRHB, Iqaluit
Mr. Paul Smith, DIAND/Water Board, Iqaluit
Mr. Roger Peete, Acting Area Manager, DFO, Iqaluit

We would appreciate hearing of any concerns that you may have as soon as possible. We expect to commence construction this year, with completion in one to two more years. Please call me, or fax, to the numbers noted above.

Sincerely,
UMA ENGINEERING LTD.

/s/ Gary S. Craig, P.Eng.
District Manager of Engineering, NWT
