**Sub: Application for a new Type B Water Licence to remediate the Sewage Lagoon construction wastes of the Municipality of Hall Beach.**

Dear Karen,

Please see attached the Type B new Water Licence application of the Municipality of Hall Beach to remediate the sewage lagoon construction wastes.

The following documents are attached:

1. The new Type B Water Licence application
2. Monitoring program to remediate sewage lagoon construction wastes
3. Technical Proposal in English and Inuktitut

We are requesting this licence for 5 years term from the date of issuing the licence. The licence is recommended temporary and will be requested to cancel once the construction wastes remediation is complete to the satisfaction to the regulators.

Please keep me in the loop for the entire approval process. I will appreciate if you contact me if you have any concern or question on this file.
