Sean,

Thank you for your call; Dillon is just wrapping up the Hall Beach application so you should have it within two weeks, we will send hard copies as well as electronic. As for Gjoa Haven; one of our staff, whom was tasked with reviewing the Gjoa Haven application has since left the GN. Dillon will incorporate the new sewage lagoon into the application send it to us for review then we will submit. Sorry I do not have a timeline for this as of yet, but I will try to keep you up to date.

I tried to return your call, but the phonecall would not go through.

Have yourself a good week-end.  
Bill
