Re: OTT-00209248-A0 – Final Discharge Points – Hamlet of Hall Beach

Dear Ms. Beaulieu:

Further to the Plan for Compliance for the water licence 3BM-HAL0810 (expired) for the Hamlet of Hall Beach (Hamlet), Please accept the following letter as clarification to licence condition H-10 which reads as follows:

If, during the term of this Licence, additional Final Discharge Points are identified, the Licensee shall submit a report to include:

- a. Plans, specifications, geographic coordinates and a general description of each Final Discharge Point; and
- b. A description of how each Final Discharge Point is designed and maintained, if required.

As part of the community site visit undertaken by **exp** Services Inc. during the winter of 2012 / 2013, no additional points were identified for the Hamlet. Therefore, in accordance with licence condition H-10, there is no requirement for the issuance of a final discharge point.
