

## **Geotechnical inspection**

An Engineering Consulting firm named exp Services Inc. has been retained by the Department of Community and Government Services of the Government of Nunavut to develop a Plan for Compliance to satisfy the requirements of the Water License # 3BM-HAL 0810 of the Hamlet of Hall Beach.

Under this arrangement, an inspection of all engineered facilities related to the management of water and waste were carried out on July 24 and 25, 2013. The inspection report will be available at the end of September 2013.
