Re: Water Licence for Hall Beach

Dear Mr. Sitland:

In the matter of your letter dated October 26, 1999 to the Distribution List, you stated that it was the Department's and the Hamlet's intention to pursue obtaining a Water License over the coming months.

Please find attached a water licence application form and supplementary questionnaire. Both of these are also available in electronic format by contacting rbecker@polarnet.ca. In addition to the form and questionnaire, an application fee of \$30.00 payable to the Receiver General for Canada, and an executive summary in both English and Inuktitut are required to initiate the application process.

We look forward to receiving the Hamlet of Hall Beach's water licence application. Should you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Rita Becker
Licensing Administrator
