Dear Ms. Curley:

The Nunavut Water Board acknowledges receipt on January 9, 2003 of your water licence application for the Hamlet of Hall Beach. This application was prepared by Ferguson Simek Clark, on your behalf. Your application included the following items:

- Appendix 1 – maps and drawings
- Appendix 2 – Hazardous Materials Spill Reports
- Appendix 3 – DIAND Inspection Reports

Your application fee of \$30.00 has not been received to date and it is our understanding that FSC will be forwarding it shortly.

This project is exempt from review by NPC and the Nunavut Impact Review Board due to its municipal status. It can be processed by the Nunavut Water Board once the deadline for review and comments has been realized.

I have been asked by the Board to inform you that a notice of your application is required. This notice of requirement is based on Article 13.3.14 of the Nunavut Land Claims Agreement (NLCA), which states that the Board should take "...all steps necessary by way of notice...to provide and promote public awareness [of hearings]."

Accordingly, a notice in both English and Inuktitut will be posted for a period of 30 days, with local establishments in Hall Beach and Igloolik.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application. Any person who is affected by this application or concerned with it, may submit a letter of concern, which must be submitted to the Board within the period of time shown on the public notice.

Please call the undersigned at (867) 360-6338 or [nwblic@polarnet.ca](mailto:nwblic@polarnet.ca) if you have any questions.
