Subject: Licence No. 3BM-HAL1520 – Submission of 2014, 2015, and 2016 Annual

Reports for the Hamlet of Hall Beach's Municipal Undertaking

Dear Mr. Roy:

The Nunavut Water Board (NWB or Board) has completed its review of the 2014, 2015, and 2016 Annual Reports (Reports) submitted by the Government of Nunavut Community and Government Services (GN-CGS) on behalf of the Hamlet of Hall Beach, on March 12, 2015, March 8, 2016, and January 26, 2017, respectively, to fulfill the relevant requirements in the Licence No. 3BM-HAL1520 (Licence) or previous iterations of the Licence, issued to the Hamlet of Hall Beach for a Municipal undertaking within the Qikiqtani Region, Nunavut. The review determined that the Reports are generally consistent with the reporting requirements under Part B, Item 1 of the Licence.

The NWB recommends, however, that future reports be accompanied by a cover letter and results of a more extensive monitoring program as required under Part H of the Licence. Additionally, the Licensee is advised that the Operation and Maintenance Manuel for the Water Supply Facility as required under Part F, Item 3 of the Licence appears to be outstanding.

Copies of the above-referenced Reports, which were distributed on March 24, 2015, March 6, 2016, and January 30, 2017, respectively, as well all other information submitted in support of the file can be accessed through the NWB's Public Registry and File Transfer Protocol (FTP) site using the following link:
