

Hall Beach Water Licence Renewal Application

Executive Summary

The Hamlet of Hall Beach is submitting an application for the renewal of the Hamlet's water licence (Licence Number: 3BM-HAL0810) as the water licence expired on May 30, 2010. Dillon Consulting Limited has been retained by Community and Government Services, Government of Nunavut to complete the application on behalf of the Hamlet of Hall Beach.

As well as the completed application form, the Hamlet of Hall Beach is also submitting the following documents, as requested by the Nunavut Water Board:

- Operation and Maintenance Manual for the Sewage Lagoon
- Operation and Maintenance Manual for the Solid Waste Facility
- Spill Contingency Plan
- Plan for Compliance
- Hall Beach 2010 Annual Report

Included in this application is the plan for compliance as requested by the Nunavut Water Board. The purpose of the plan for compliance is to develop an estimated schedule for when repairs and upgrades will be completed, as well as when all other required supporting documentation will be completed. The plan has been developed based on the best available information at the time of submission. We trust that the information provided in this application will be sufficient for conditional water licence approval, with full-term approval pending the submission of the required documents.
