Dear Andrea:

Re: Your File: / CIDMS: 151987

I have received your letter concerning our Water License NWB3KIM0207.

Bhabesh Roy with Community and Government Services has been working on behalf of the Hamlet to prepare all the documentation required for the renewal of our Water License.

Bhabesh is aware of the expiry date and I am sure he is striving to get the documentation completed as soon as possible.

Sincerely,

Cecil O. Marshall
Senior Administrative Officer
