

## Hamlet of Kimmirut Plan for Compliance

Hamlet of Kimmirut Water License # 3BM-KIM 0911 expired on January 29, 2011. The Community is in the process to renew their Water License. Exp Services Inc. has been retained by the Department of Community Government Services of Government of Nunavut (GN-CGS) to develop the Plan for Compliance to satisfy the requirements of the Water License. The latest submission of the Plan for Compliance to AANDC was March 8, 2013. CGS is still waiting for approval of this Plan for compliance by AANDC. The Consultant is still working on the items of the action plan to meet the target.
