Re: Application Acknowledgement and Requirement for Notice of the application for the Hamlet of Kimmirut

Dear Mr. Akavak:

The Nunavut Water Board (NWB) acknowledges receipt on May 17, 2001 of your application for a renewal of water licence N5L4-1441. Please note that this file will now be referred to as NWB3KIM. Your application package included the following:

- application form
- supplementary questionnaire
- map
- letter dated October 6, 2000 from Department of Health & Social Services

Please note that certain items are missing from your application. As indicated in our letter dated August 3, 2000 that was received by your office on August 25, 2000, the following items are missing:

- application fee of \$30 payable to the Receiver General of Canada
- executive summary in English and Inuktitut (this should just be a short paragraph summarizing your application)

Please forward these remaining items at your earliest convenience in order that processing of your application be not delayed.

This project is exempt from screening by the Nunavut Impact Review Board or conformity review by the Nunavut Planning Commission; therefore, it can be processed by the NWB upon receipt of the missing documents.

In the meantime, I have been asked by the Board to inform you that a notice of your application is required. This notice of requirement is based on Article 13.3.14 of the Nunavut Land Claims Agreement (NLCA), which states that the Board should take "...all steps necessary by way of notice...to provide and promote public awareness [of hearings]."

Accordingly, please have the enclosed notice in both English and Inuktitut published in a two-column width format in the **Nunatsiaq News** as per enclosed "Instructions for Publication of Notice in Newspaper." The Applicant is responsible for payment of the publication.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application. Any person who is affected by this application or concerned with it, may submit a letter of concern, which must be submitted to the Board within the period of time shown on the public notice.

Please note that the confirmation of notice posting, must be submitted to our office before your application process will be completed.

Please call the undersigned at (867)360-6338 or rbecker@polarnet.ca if you have any questions.

Sincerely,
