Mrs. Rita Becker Licensing Administrator Nunavut Water Board Gjoa Haven, Nunavut

RR: Municipality of Kimmirut

Mrs. Becker,

I'm sending the NWMB comments/concerns regarding the Municipality of Kimmirut application, to obtain water for municipal purposes.

As long as the Municipality of Kimmirut takes steps to address the situation of the sewage lagoon (high elevation and close to a creek), during the term of the license, we have no other concerns. We also ask that any reports generated by this project be submitted to NWMB for our records.

Best regards
