**RE: NWB File # NWB3KIM, Water Licence Application, Sewage Lagoon, Kimmirut, Nunavut.**

Dear Mr. Akavak:

This letter is to advise that The Department of Fisheries and Oceans, Fish Habitat Management (DFO-FHM) received your Water Use Application for a sewage lagoon, in the Kimmirut area, submitted on your behalf by Nunavut Water Board. I have reviewed the plans for the proposed work.

In reviewing your project I have concluded that there is insufficient information to allow for the project to be properly screened. Please provide information indicating the location of the proposed sewage lagoon, presence of fish habitat, and potential impacts to fish habitat associated with the project.

If you have any questions please contact me at (867) 979-8007 or by fax at (867) 979-8039.
