ANNUAL REPORT FOR THE HAMLET OF KIMMIRUT

- iv. a summary of modifications and/or major maintenance work carried out on the Water Supply and Waste Disposal Facilities, including all associated structures and facilities;

No major modifications in 2006

Solid waste dump was covered with granular material.

- v. a list of unauthorized discharges and summary of follow-up action taken;

There were no unauthorized discharges in 2006 to my knowledge.

- vi. a summary of any abandonment and restoration work completed during the year and an outline of any work anticipated for the next year;

There were no sites abandoned in 2006

Water license is being prepared by C&S for the new sewage disposal site and the new solid waste site.

- vii. a summary of any studies requested by the Board that relate to waste disposal, water use or reclamation, and a brief description of any future studies planned;

Part F, Item 1: Operation and Maintenance Manual

Part G, Item 1: Abandonment and Restoration Plan

This I understand is being worked on by C&S in respect to our current disposal sites and should be implemented once the new sites are in operation.
