Subject: Water Licence 3BM-KIM0911 – Resubmission of the Final “Operations and Maintenance Manual for Hamlet of Kimmirut Wastewater Facility”

Dear Mr. Roy and Mr. Ikkidluak

The Nunavut Water Board (“NWB” or “Board”) acknowledges receipt of an Operations and Maintenance (O&M) Manual for the Hamlet of Kimmirut’s Wastewater Facility from the Government of Nunavut Community Government Services (GN-CGS) on August 29, 2012 as a requirement of Part F, Items 1 and 2 of water licence 3BM-KIM0911 (Licence). The submission includes the following documents:

- Cover letter dated August 29, 2012;
- Document entitled “Kimmirut Wastewater Facility, Kimmirut, Nunavut, Operations and Maintenance Manual Volumes I and II” prepared for GN-CGS by exp Services Inc., July 2012 (Final O&M Manual); and
- Set of as-built drawings entitled “Government of Nunavut Hamlet of Kimmirut Wastewater Lagoons” prepared by Trow Associates Inc., Project No. OTCD18881A, dated September 30, 2011.

As stated in the NWB’s correspondence dated August 10, 2012 regarding submission of the draft Operations and Maintenance Manual for Hamlet of Kimmirut Wastewater Facility, the Final O&M Manual still does not address the Hamlet of Kimmirut’s Solid Waste Disposal Facilities as required by Part F Item 1 and Item 2(a); Hazardous Waste Management as required by Part F Item 2(b); nor a plan for the modification of streams and bodies of water within the municipality including crossings as required by Part F Item 2(e). In addition the Spill Contingency Plan provided in Appendix C of the submission and required by Part F Item 2(d) must address the Hamlet’s Solid Waste Disposal Facility.

The Board is not in a position to approve of the Final O&M Manual until:

1. All components of condition Part F, Items 1 and 2 have been satisfied; and
2. The document is signed.

Finally, GN-CGS is reminded that the Hamlet of Kimmirut's water licence expired on January 29, 2011; however, expiry of the Licence does not relieve the holder from any obligations imposed by the Licence.

Should you have any questions please do not hesitate to contact the NWB office.

Sincerely,

Original signed by:

Phyllis Beaulieu
Manager of Licensing
