**Re: Kugluktuk Water Licence – Request For Licence Extension**

---

Dear Jim:

On behalf of my clients, the Hamlet of Kugluktuk and the Government of Nunavut, I am writing to request a 60 day extension to their water licence. My documents show the current licence issued to the Hamlet of Coppermine, Licence Number N7L4-1526 expiring June 30, 2003.

FSC is presently completing the required documents and intends to submit them to the NWB on or before June 30, 2003. We anticipate the 60 day extension will be sufficient for the Board to process the licence.

Please contact me if you have questions.

Yours truly,
