Re: Kugluktuk Water Licence N7L4-1526 Renewal Application Fees

Dear Jim:

Thank you for your letter of June 18, 2003, in which you explain the role of the NWB under the Nunavut Waters and Nunavut Surface Rights Tribunal Act with respect to licence renewals.

On behalf of my client, FSC sent the \$30 application fee to the NWB to accompany the extension request. I request now that you hold this fee in trust and apply it when the formal application documents arrive, on or about June 30, 2003.

Thank you for your consideration. Please contact me if there are any problems.

Yours truly,
FSC Architects & Engineers
