**Subject:** Kugluktuk water licence application for horizontal drilling query  
**Date:** Friday, January 16, 2009 11:34:39 AM

---

Hi, Allison,

This e-mail will authorize you to act on behalf of the GN so you can inquire about progress and follow up on our application to do some horizontal drilling for a new potable water supply in Kugluktuk. I will be away for approximately a month, so please keep Sudhir Jha and John Clark (and Justin Hazenberg) informed.

Regards and thanks,
