Good afternoon Phyllis,

We have received information and a Deficiency list prepared and forwarded by Sonia Aredes. Requests has been made to the consultant for submission of outstanding items as noted below:

- "as-built" drawings for new IPH and A&R plan of existing intake system
- Tender Drawings and Design Development Report for phase-2 works new treatment Plant

The Licensee or CGS will prepare an addendum for O&M manuals for Sewage and Solid waste facilities as requested. The community water Licence expires on April 30, 2014, but the operation and monitoring activities continued as outlined in the requirements. We request to consider the Amendment Application and approval of the Licence, the outstanding items will be submitted as soon as possible once completed.
