Good afternoon,

RE: NWB 3BM KUG0914 - Hamlet of Kugluktuk

The Nunavut Planning Commission (NPC) has reviewed the attached documents and has determined that the project proposal as described is located outside the boundaries of the two approved land use plans currently administered by the NPC.

No further review is required by the NPC at this time.

Please ensure that any change in scope of the proposed project is forwarded to the NPC so as a determination can be made as to whether a conformity review is required.

The Impact Review Board has been copied for their information.

Please contact me should you have any questions.

Mutna,

Brian Aglukark, NPC
