Subject: Annual Report Requirement NWB3KUG0308

Dear Mr. Waye:

The Nunavut Water Board (NWB) has reviewed the “Annual Report for the Hamlet of Kugluktuk (2003)” documents submitted to the Board on August 30, 2004 in accordance with Part B, Item 1 of your water licence.

As part of the NWB process, the NWB invited interested persons to review your Annual Report. Please find attached for your consideration a letter from Environment Canada dated October 27, 2004, outlining their concerns with respect to the application of the *Fisheries Act* in relation to municipal activities. These concerns are beyond the scope of your water licence and we respectfully ask you to follow up directly with Environment Canada.

The NWB herein approves the 2003 Annual Report as presented and thanks the Hamlet of Kugluktuk for their submission.

Please contact the undersigned at (867) 360-6338 or e-mail Jim Wall (Technical Advisor, Municipal) at tech1@nwb.nunavut.ca if you have any questions.

Sincerely,

Original Signed By:
