Re: 148303 / 3BM-REP1520 Hamlet of Naujaat Water Licence Amendment

Please be advised that the Megan Lusty of a proposed project 148303 / 3BM-REP1520 Hamlet of Naujaat Water Licence Amendment that is to be carried out inside the Nunavut Settlement Area (NSA) has submitted a land use application with the Nunavut Planning Commission (NPC).

The Nunavut Land Claims Agreement (NLCA) requires that the NPC review all applications for project proposals. The NPC is unable to initiate and complete a review of the project proposal until a copy of the application and all associated documents are sent to the NPC.
