Subject: Posting Municipal Inspection Files on to the NWB site
Date: Thursday, February 10, 2011 6:13:56 AM

In late 2010 Lou-Ann Cornacchio, Manager, INAC Waters requested that the NWB delay the posting of the INAC municipal inspection reports for Nunavut communities until INAC had an opportunity to review and discuss the reports with the government of Nunavut. INAC has now met with Community and Government Services (GN-CGS), therefore INAC suggests that the reports may now be posted. Thanks
