RE: Repulse Bay Water Board license renewal NWB3REPP0409 and Plan of Compliance.

Dear Madam

The Hamlet of Repulse Bay has started the process of applying for a renewal of the water license. The first step is the development of a plan of compliance. Bryan Purdy P.Eng (NAPEG registered) of CGS Rankin Inlet will be working jointly with the Hamlet of Repulse in developing the Plan for Compliance and the Nunavut water board renewal license application.

The Hamlet of Repulse Bay wish to officially register Mr Purdy as an authorized representative for plan of compliance and the water license renewal application.

The Nunavut Water Board can accept all information and data from Mr Purdy until the license renewal application is fully approved. We will advise your office immediately if this arrangement with Mr Purdy changes.

Yours truly
Elizabeth Kusugak
