MEMORANDUM

To: Distribution

From: Dionne Filiatrault, Technical Advisor NWB

Subject: **Pangnirtung Sewage Treatment Facility Planning Study**

Date: February 9, 1998

Enclosed for your review is a copy of the "**Pangnirtung Sewage Treatment Facility Planning Study**" submitted by Municipal and Community Affairs, Baffin Region. The Plan was submitted to the Nunavut Water Board in compliance with Licence No. N5L4-1447, Part D: Conditions Applying to Modifications.

The NWB would like to ensure a broad review is performed of all plans submitted to the Board and is requesting your assistance in the review of the document mentioned above and would appreciate receiving any comments and recommendations by **March 10, 1998**.

If you have any concerns or questions, please do not hesitate to contact me at (867)360-6338.

Dionne Filiatrault (867-360-6338) (fax 360-6369)
