FYI, Elwood Johnson is now in Pelly Bay (formerly Cambridge). He was asking about the status of their water licence and other reports. I told him the current licence expires this coming October, and I'm sending him all the information for them to renew it. I'm not up-to-date on the reports. From what I can determine from a letter from DIAND, they have submitted 1998-2001 annual reports. I can't actually find copies of these? Do you have them; otherwise, I'll request a copy from DIAND? Do you have the 2002 annual report; otherwise, I'll ask Elwood to submit that one?
